

Barbecue Buffet

For a casual lunch or dinner, we offer a barbecue option at Prime, Tatler or 12Bar.

Guests can be seated indoors or outside so they can watch our chefs cook on the traditional Kiwi barbie.

A barbecue menu is \$55 per person. Meats are freshly cooked by our chefs according to individual guest requirements. A barbecue menu features:

- three hot items such as steaks, sausages, skewered prawns, chicken kebabs or salmon fillets
- two types of salad
- an assortment of breads
- for dessert we serve cake with fresh whipped cream and fruit.

To open Prime for a barbecue lunch we require a minimum spend of \$1,500.
