Tatler and Prime are ideal for weddings, conferencing and special events. Prime is perfect for a gala dinner or awards night, while Tatler, being slightly smaller, would be great for a more intimate dinner of up to 100 guests.

For dine-arounds, we can seat a total of 280 guests between the two restaurants.

The combination of views, ambience, décor, wine list, food and service make our venues ideal for hosting groups of 10 to 250. Tatler and Prime are located within one hundred metres of each other in central Queenstown and are within easy walking distance of Queenstown accommodation.

## **Tatler Restaurant and Bar:**

This historic restaurant was built in 1863 and is a Queenstown icon. The warm, wooden interior is complemented by gorgeous lake views from the outdoor tables.

If you have a small gathering and want a private dining room for a private dinner, Tatler's Spectator Room is perfect with seating for up to 28 guests inside and 12 on the covered balcony.

Pre-dinner drinks on the balcony is also a popular option with views over Lake Wakatipu.

The Spectator Room features its own fireplace, bar and private bathroom.

Downstairs at Tatler we can seat 60 guests and accommodate 100 for a stand up function.

## **Prime Waterfront Restaurant and Bar:**

Located on the shores of Lake Wakatipu, Prime's stylish, modern décor and stunning lake views create a special ambience. The venue features lighting, sound system and an elevated stage – ideal for speeches or a band. There is also an elevator from street level – perfect for heavy wedding gifts!

At Prime we can serve plated meals or a buffet featuring barbecue or carvery meats.

The waterfront Prime Restaurant and Bar can accommodate 250 guests for a cocktail-style reception or 170 for a seated dinner. Prime is also ideal for smaller gatherings – clever curtain design allows the venue to be divided into several intimate areas.
