

Tatler and Prime Function Venues

Weddings, Conferences and Parties for Eight to Eight Hundred guests

Central Locations

Tatler and Prime are highly-regarded restaurants offering stunning views, ambience, service and cuisine in the heart of Queenstown. They are also popular function venues.

Tatler and Prime are forty metres apart and are an easy walk from the main hotels and key visitor destinations.

Our venues are ideal for hosting intimate dinner parties for eight and in conjunction with neighbouring restaurants, Tatler can also host marquee events for 800 guests.

No venue hire fees

Instead of hire fees, we simply request a minimum food and beverage spend for exclusive events. Three-course set menus are priced from \$59 per person. Conferences and Meetings

Meetings and Conferences

Tatler and Prime are ideal venues for business meetings, team-building events, conferences and seminars. We offer Day Delegate packages that include morning, afternoon tea and lunch catering, priced from \$50 per person.

Special Interest

Our regional cuisine, local wine list, stylish decor and audio-visual facilities make Prime and Tatler the perfect venues to watch international sporting events or to host "slide evenings" for sporting, cultural or social groups.

Gala Dinners

Prime's stage, show lighting, data projector and sound system make it a popular choice for gala dinners. You can build your own menu from our innovative food and beverage packages or leave it to our experienced team of chefs and event managers to design the perfect menu.

Weddings

The perfect wedding day needs the perfect reception and Prime and Tatler have hosted post-ceremony functions, large and small, for many happy brides and grooms.

We offer a wedding package that will take the stress out of the big day and we are happy to work with the bride and groom to devise exactly the right menu, theme and beverage options.

Prime and Tatler are also popular venues for engagement parties, rehearsal dinners and post-wedding barbecues.

Hi Jo and Shane, Thanks so much for your efforts around the show with Greg Johnson. It was lovely to have such a good night in Queenstown. Having the band based at Tatler worked well and Kendall was a top host there. Greg has headed back to LA a happy man. Thanks again and all the best for winter. - Caley Wilson, mynewfavourite

*Dear Jo, Mike and Mark,
 Thank you so much for throwing such a great party at the close of TRENZ 2011!
 We all had a great time and the feedback has been excellent. Thank you for all your work for this event. - Cheers, Lina and the TIA Events Team*

*I just wanted to say thank you for all your assistance with our lunch on Saturday. We had a great time. The food was absolutely divine! I didn't hear anything but rave reviews about every course.
 The room upstairs suited us perfectly, and the staff were wonderful - so friendly and helpful. Could you please pass on our thanks to them. - Sally Patch*
