

Wedding Facilities

Tatler, Prime and 12Bar are all ideal wedding venues, able to cater for wedding groups from 10 to 250.

Tatler

If you have a small gathering and want a private dining room for your post-wedding dinner, Tatler's Spectator Room is perfect with seating for up to 28 guests. Pre-dinner drinks on the balcony is a popular option with views over Lake Wakatipu. The Spectator Room features its own fireplace, bar and private bathroom.

Downstairs at Tatler we can seat 70 guests and groups would have pre-dinner drinks upstairs if desired

12Bar

The three private rooms upstairs seat ten guests each. The whole upstairs area can accommodate 70 guests and if guests take over the whole venue, then 150 guests can be accommodated.

At 12Bar we offer buffet or canape catering.

Prime

The waterfront Prime Restaurant and Bar can accommodate 250 guests for a cocktail-style reception or 170 for a seated dinner.

Weddings with more than 70 guests and featuring live music require security on the doors, the cost of which is passed on to the bridal couple.

Our function coordinator will be pleased to assist with these additional services ...

- Flowers for the venue
- Table arrangements
- Band or DJ
- Chair covers and table cloths
- Photographer
- Wedding cake
- Wireless microphones
- Placecards and table plans
- Personalised printed menus
